

**FAIR TRADE, UNION MADE, STUDENT PRODUCED ... Go Tigers!**

The Cleveland Heights Teachers Union (CHTU) has initiated a program of advocacy and practice supporting Union Made and Fair Trade products.

Our first effort has used T Shirt 'blanks' made/woven at Lifewear Inc by Workers United Local #1148 Affiliate of SEIU in Pennsylvania.

The T shirt design was created/designed by CHHS art teacher Laura Skehan and her students.

Students at the Graphic Arts program at Warrensville Hts. High School (which includes CHHS students) screened the T shirt.

Even better, profits from this joint effort will help raise scholarship money for the Tiger Shop, which awards a scholarship to graduating students who are in special education programs.

All this and the cost is only \$10. Reserve yours today with the tear slip on page 2.

Union Made and Student Produced. And part of a larger Fair Trade movement, too.

This is a school shirt you can truly wear with pride.
